Front.—The blank panel on the left carries the Asoka Pillar watermark while the corresponding panel on the right carries a representation of the Asoka Pillar capital against a shaded background. The purple tint of the present note is replaced by an orange tint and the whole note appears somewhat bolder as the result of the use of slightly heavier colours.

Back.—The brown and blue tint colours are transposed, the latter now appearing at the top of the note and the former at the bottom. The value in Oriya script has been added.

Rupees Ten.—The new design is similar to that of the current note, the chief modifications being as follows :—

Front.—The blank panel on the left carries the Asoka Pillar watermark while the corresponding panel on the right carries a representation of the Asoka Pillar capital against a shaded background. The wording of the promise to pay in the centre of the note has been re-arranged slightly in order to allow the signature of the Governor of the Reserve Bank of India to appear directly beneath it, the panel at the left-hand bottom corner now being filled with the word *Rupees* superimposed on the figure 10 against a geometrical background. The tint colours in the centre of the note have been modified, the most noticeable change being the replacement of the prominent orange tint by blue. The prefix and serial number are printed in black.

Back.—The only changes are a re-arrangement of the present tint colours and the addition of the value in Oriya script.

Rupees One Hundred.—This is an entirely new design, the size being $6\frac{3}{4}'' \times 4\frac{1}{4}''$, as at present.

Front.—On the left is a blank panel of irregular shape, consisting of a floral border with a vignette which contains the Asoka Pillar watermark. On the right is a panel of similar shape and design containing a representation of the Asoka Pillar capital against a shaded background. At the head of the note and connecting these two panels is a curved panel containing the words *Reserve Bank of India* in bold, shaded, white letters. Underneath comes the usual promise to pay against wavy line tints the words *One Hundred Rupees*, which are contained in a special panel of geometrical work, also being in bold, shaded, white letters. Immediately below the watermark panel and the corresponding panel on the right, parallel white lines run right across the note, the space between the lines being occupied by the signature of the Governor of the Reserve Bank of India in the centre with the prefix and serial number of the note printed in black on either side. The border of the note consists of an indented double line with fine geometrical work inside. The whole design is superimposed upon wavy line tint work of oval shape which extends to all the four edges of the note. The main design of the note is printed in blue with rainbow tints of mauve, olive-green, blue, blue-grey, blue-green, orange and green. Previous designs of this denomination have had the circle of issue printed on them but this is omitted from the new design, the necessary identification being done by reference to the prefixes of which separate allotments will be made to each Currency Office.

Back.—On the right is the blank watermark panel with an irregular border of continuous beading. On the left a similar panel contains the Reserve Bank seal superimposed on a guilloche. Above each of these panels is a small head-panel, with floral work on either side, containing the value in figures of floral design. Between these two head panels appear the words *Reserve Bank of India* in bold white letters on a slight curve. Occupying the centre of the note is a forest scene depicting two elephants, the words *One Hundred Rupees* appearing immediately underneath in bold, shaded, white letters. The value in the various scripts appears at the bottom of the note as follows :—Bottom left corner: Oriya, Telugu, and Bengali; Centre: Hindi and Urdu; Bottom right corner: Tamil, Kanarese and Gujerati. All these appear in white characters against a background of geometrical work. The whole design is enclosed within a border of indented double lines with geometrical work inside. Circular dated 31st January 1950.

To

All Heads of Departments.
All the Treasury Officers.

Subject:—Misclassification in Treasury Accounts under XII. Stationery and Printing and other Heads.

No. 558—B. II. It has been brought to the notice of this office that receipts of Stationery and Printing, Public Health, Jail and other service Departments which are finally to be taken as reduction of expenditure are classified by the Treasuries as final receipts of the Departments. This is wrong in principle. They are to be rightly taken against the corresponding receipt heads in thick type in the cash accoun The result of such a misclassification on the part of t Treasuries has been to inflate figures under the Departmen Revenue Receipt Heads giving rise to much avoidal correspondence between the Audit Office and the receivi Departments and verification of chellans and schedul particularly at the time of the Revised Budget Estimates.

With a view to prevent such misclassifications a consequential unnecessary correspondence in future, t Treasuries are instructed to insist on all details required f a correct classification of the receipts and classify und relevant heads in the cash account. Receipts which are to taken as reduction of expenditure in the books of the Aud Office must without fail be taken against the heads in thic type under the Departmental receipt heads in the Cas Account.

To quote an instance, sale proceeds of Vaccine Lymp should be classified as "XVIII. Public Health Sale Glycerine Vaccine" and not "XVII. Public Health Sale Vaccine" and the same will be classified in this Office a "22 Public Health, 3. Vaccine Institute.

Deduct Sale proceeds of Glycerine Vaccine Lymph."

A similar procedure will have to be followed in respect c receipts pertaining to Stationery and Printing, Jail and othe Departments also.

Instructions conveyed in this Circular are to be strictl adhered to by the Treasuries with immediate effect. E

Departments may bring any lapse on the part of the asuries observed in this regard to the notice of this office taking suitable further action to remedy such irregu-ties in consultation with the Revenue Commissioner.

Circular dated 31st January 1950.

To

All Heads of Departments.
All the Treasury Officers.

Subject:—Misclassification in Treasury Accounts under XII. Stationery and Printing and other Hea

No. 558—B. II. It has been brought to the notice of th office that receipts of Stationery and Printing, Public Healt Jail and other service Departments which are finally to taken as reduction of expenditure are classified by t Treasuries as final receipts of the Departments. This wrong in principle. They are to be rightly taken against t corresponding receipt heads in thick type in the cash account The result of such a misclassification on the part of t Treasuries has been to inflate figures under the Department Revenue Receipt Heads giving rise to much avoidat correspondence between the Audit Office and the receivi Departments and verification of chellans and schedul particularly at the time of the Revised Budget Estimates.

With a view to prevent such misclassifications a consequential unnecessary correspondence in future, t Treasuries are instructed to insist on all details required f a correct classification of the receipts and classify und relevant heads in the cash account. Receipts which are to taken as reduction of expenditure in the books of the Au Office must without fail be taken against the heads in thi type under the Departmental receipt heads in the Ca Account.

To quote an instance, sale proceeds of Vaccine Lymp should be classified as "XVIII. Public Health Sale Glycerine Vaccine" and not "XVII. Public Health Sale Vaccine" and the same will be classified in this Office "22 Public Health, 3. Vaccine Institute.

Deduct Sale proceeds of Glycerine Vaccine Lymph."

A similar procedure will have to be followed in respect receipts pertaining to Stationery and Printing, Jail and oth Departments also.

Instructions conveyed in this Circular are to be strict adhered to by the Treasuries with immediate effect. Hea of Departments may bring any lapse on the part of t Treasuries observed in this regard to the notice of this offi for taking suitable further action to remedy such irregularities in consultation with the Revenue Commissioner.

Circular No. 189—P.S. dated 13th February 1950.

To

All Officers of the State who draw or countersign Pre-audit Bills.

Subject:—The presentation of contingent and supplies and services bills for pre-audit and payment before the end of the official year 1949-50.

If a large number of bills which have to be pre-audited and paid before the close of the official year 1949-50 are sent to the Audit Office during the last few days of March 1950, it will result in great inconvenience and severe strain on the Pay Section and other Audit Sections of this Office. Therefore, all drawing and countersigning officers are requested to arrange for the expeditious disposal of such bills at all stages and for the transmission of the same to this office from now onwards, as and when each bill is ready to be sent to this office, so that there may be no congestion of work in this office towards the close of the official year. This step will also ensure that a number of these bills are not carried over un-audited to the next official year.

The audit of bills for contingencies and supplies and services received in this office after the 25th of March 1950 cannot ordinarily be expected to be completed by the 31st of March 1950.

FINANCIAL SECRETARIAT.

No. Fl. 3961-4020—G.F. 134-46-2, dated 19th November 1946.

Cheque remittances for credit of the Dewan's Deposit Account.

According to the existing procedure cheques received by the several departments of Government in Bangalore are remitted the Bank through the Bangalore District Treasury, except in the case of the Electrical Department. It is generally omplained by the departments that this procedure involves delay in the adjustment of cheque realisations to the credit of eir accounts. It is, therefore, arranged that the departments accepting the cheques may remit them directly to the Bank Mysore, Limited, Head Office, the amounts being transferred by the Bank to the Dewan's Deposit Account once a week nd at the end of each month. The following is the procedure for accounting of the same:—

(i) The several offices of Government situated in Bangalore that accept cheques from the public in satisfaction of ues to Government shall remit such cheques classified into three categories—

(*a*) Cheques on Head Office,
(*b*) Cheques on Local Banks including branches of Mysore Bank,
(*c*) Cheques on outstations including branches of Mysore Bank,

irectly to the Bank of Mysore, Ltd., with duplicate schedules for each category for credit to a separate suspense account to e opened in the books of the Bank in the official name of the officer. There shall be no drawings on this suspense account n effect this will be merely a suspense account for credit of receipts to the Dewan's Deposit Account the same being adjusted eekly and also at the end of each month).

(ii) The Bank on realisation of the cheques, will afford necessary credit to the concerned suspense account (deducting ommission charges, if any, on outstation cheques) and will advise full particulars to the remitting officer.

(iii) The balance at the credit of each suspense account at the end of each week, as also at the end of each month, ill be transferred to the credit of the Dewan's account and the amount so transferred will be intimated to the concerned fficer. There will be only one figure in the Dewan's Account per week for each officer and no details will be shown.

(iv) The departments have to maintain detailed accounts showing cheques remitted. For this purpose a register styled Register of Remittances by Cheques to the Bank of Mysore" will be opened in the accompanying form in which all details oncerning cheques received, remitted and adjusted will be noted. It will be the duty of the departmental officers to see at cheques sent are promptly realised or, if not cashed for any reasons, are returned to the departmental officer.

(v) On receipt of weekly advices of transfers to the Dewan's Deposit Account, the departments should verify the mount and furnish necessary classification for the same to the Books Section of the Comptroller's Office without delay in the orm annexed.

(vi) This procedure of accounting will apply to the Railway and Electrical Departments also.

The new procedure will be brought into force with effect from November 1946

B. S. RAGHAVENDRA RAO,

This procedure being contrary to the provisions contained in note to Article 7, M.C.A.C. Volume I, should be discontinued.

In respect, however, of cheques received by the several offices of Government situated in Bangalore, the procedure cribed in G.O. No. Fl. 3961-4020—G F. 134-46-2, dated 19th November 1946, should invariably be followed.

FINANCIAL SECRETARIAT.

No. Fl. 3961-4020—G.F. 134-46-2, dated 19th November 1946.

Cheque remittances for credit of the Dewan's Deposit Account.

According to the existing procedure cheques received by the several departments of Government in Bangalore are remitted the Bank through the Bangalore District Treasury, except in the case of the Electrical Department. It is generally plained by the departments that this procedure involves delay in the adjustment of cheque realisations to the credit of r accounts. It is, therefore, arranged that the departments accepting the cheques may remit them directly to the Bank Mysore, Limited, Head Office, the amounts being transferred by the Bank to the Dewan's Deposit Account once a week at the end of each month. The following is the procedure for accounting of the same :—

(i) The several offices of Government situated in Bangalore that accept cheques from the public in satisfaction of s to Government shall remit such cheques classified into three categories—

(*a*) Cheques on Head Office,
(*b*) Cheques on Local Banks including branches of Mysore Bank,
(*c*) Cheques on outstations including branches of Mysore Bank,

ctly to the Bank of Mysore, Ltd., with duplicate schedules for each category for credit to a separate suspense account to pened in the books of the Bank in the official name of the officer. There shall be no drawings on this suspense account effect this will be merely a suspense account for credit of receipts to the Dewan's Deposit Account the same being adjusted kly and also at the end of each month).

(ii) The Bank on realisation of the cheques, will afford necessary credit to the concerned suspense account (deducting mission charges, if any, on outstation cheques) and will advise full particulars to the remitting officer.

(iii) The balance at the credit of each suspense account at the end of each week, as also at the end of each month, be transferred to the credit of the Dewan's account and the amount so transferred will be intimated to the concerned er. There will be only one figure in the Dewan's Account per week for each officer and no details will be shown.

(iv) The departments have to maintain detailed accounts showing cheques remitted. For this purpose a register styled gister of Remittances by Cheques to the Bank of Mysore" will be opened in the accompanying form in which all details erning cheques received, remitted and adjusted will be noted. It will be the duty of the departmental officers to see cheques sent are promptly realised or, if not cashed for any reasons, are returned to the departmental officer.

(v) On receipt of weekly advices of transfers to the Dewan's Deposit Account, the departments should verify the unt and furnish necessary classification for the same to the Books Section of the Comptroller's Office without delay in the annexed.

(vi) This procedure of accounting will apply to the Railway and Electrical Departments also.

The new procedure will be brought into force with effect from November 1946.

Circular dated 31st January 1950.

To

All Heads of Departments.
All the Treasury Officers.

Subject:—Misclassification in Treasury Accounts under XII. Stationery and Printing and other Heads.

No. 558—B. II. It has been brought to the notice of this office that receipts of Stationery and Printing, Public Health, Jail and other service Departments which are finally to be taken as reduction of expenditure are classified by the Treasuries as final receipts of the Departments. This is wrong in principle. They are to be rightly taken against the corresponding receipt heads in thick type in the cash accounts. The result of such a misclassification on the part of the Treasuries has been to inflate figures under the Departmental Revenue Receipt Heads giving rise to much avoidable correspondence between the Audit Office and the receiving Departments and verification of chellans and schedules, particularly at the time of the Revised Budget Estimates.

With a view to prevent such misclassifications and consequential unnecessary correspondence in future, the Treasuries are instructed to insist on all details required for a correct classification of the receipts and classify under relevant heads in the cash account. Receipts which are to be taken as reduction of expenditure in the books of the Audit Office must without fail be taken against the heads in thick type under the Departmental receipt heads in the Cash Account.

To quote an instance, sale proceeds of Vaccine Lymph should be classified as "XVIII. Public Health Sale of Glycerine Vaccine" and not "XVII. Public Health Sale of Vaccine" and the same will be classified in this Office as "22 Public Health, 3. Vaccine Institute.

Deduct Sale proceeds of Glycerine Vaccine Lymph."

A similar procedure will have to be followed in respect of receipts pertaining to Stationery and Printing, Jail and other Departments also.

Instructions conveyed in this Circular are to be strictly adhered to by the Treasuries with immediate effect. Heads of Departments may bring any lapse on the part of the Treasuries observed in this regard to the notice of this office for taking suitable further action to remedy such irregularities in consultation with the Revenue Commissioner.

Re "Contributions towards 'W.' Deposits, 19. Other Deposits (*a—h*) Refugee Fund":

No. 561—B2. It has been brought to the notice of this office by the Commissioner of Refugees that contributions made by several philanthropists and credited under the above head of account at the several treasuries in the State are still continued either under the Rufugee Fund account or under Savings Bank account without being transferred in time to the Bank of Mysore, Ltd., for being centralised there.

In this connection reference is again invited to Circular No. 477—BII, dated 9th January 1948 of this office wherein all the treasuries were instructed to transfer all Refugee Fund Collections once a fortnight by means of an R.T.R. in favour of the Manager, Bank of Mysore, Ltd., Bangalore.

The Treasury Officers may therefore immediately arrange clear all the outstanding collections as directed in the above Circular for being consolidated under the Refugee Fund account maintained at the Bank of Mysore Ltd., Bangalore.

A statement of such transfers may also be sent to the Commissioner for Refugees in Mysore, Bangalore, for information.

Circular No. 189—P.S. dated 13th February 1950.

To

All Officers of the State who draw or countersign Pre-audit Bills.

Subject:—The presentation of contingent and supplies and services bills for pre-audit and payment before the end of the official year 1949-50.

If a large number of bills which have to be pre-audited and paid before the close of the official year 1949–50 are sent to the Audit Office during the last few days of March 1950, it will result in great inconvenience and severe strain on the Pay Section and other Audit Sections of this Office. Therefore, all drawing and countersigning officers are requested to arrange for the expeditious disposal of such bills at all stages and for the transmission of the same to this office from now onwards, as and when each bill is ready to be sent to this office, so that there may be no congestion of work in this office towards the close of the official year. This step will

o ensure that a number of these bills are not carried over audited to the next official year.

The audit of bills for contingencies and supplies and vices received in this office after the 25th of March 1950 not ordinarily be expected to be completed by the 31st of rch 1950.

FINANCIAL SECRETARIAT.

No. Fl. 3961-4020—G.F. 134-46-2, dated 19th November 1946.

Cheque remittances for credit of the Dewan's Deposit Account.

According to the existing procedure cheques received by the several departments of Government in Bangalore are remitt to the Bank through the Bangalore District Treasury, except in the case of the Electrical Department. It is genera complained by the departments that this procedure involves delay in the adjustment of cheque realisations to the credit

ir accounts. It is, therefore, arranged that the departments accepting the cheques may remit them directly to the Bank Mysore, Limited, Head Office, the amounts being transferred by the Bank to the Dewan's Deposit Account once a week d at the end of each month. The following is the procedure for accounting of the same :—

(i) The several offices of Government situated in Bangalore that accept cheques from the public in satisfaction of es to Government shall remit such cheques classified into three categories—

(a) Cheques on Head Office,
(b) Cheques on Local Banks including branches of Mysore Bank,
(c) Cheques on outstations including branches of Mysore Bank,

ectly to the Bank of Mysore, Ltd., with duplicate schedules for each category for credit to a separate suspense account to opened in the books of the Bank in the official name of the officer. There shall be no drawings on this suspense account effect this will be merely a suspense account for credit of receipts to the Dewan's Deposit Account the same being adjusted ekly and also at the end of each month).

(ii) The Bank on realisation of the cheques, will afford necessary credit to the concerned suspense account (deducting nmission charges, if any, on outstation cheques) and will advise full particulars to the remitting officer.

(iii) The balance at the credit of each suspense account at the end of each week, as also at the end of each month, ll be transferred to the credit of the Dewan's account and the amount so transferred will be intimated to the concerned cer. There will be only one figure in the Dewan's Account per week for each officer and no details will be shown.

(iv) The departments have to maintain detailed accounts showing cheques remitted. For this purpose a register styled Register of Remittances by Cheques to the Bank of Mysore" will be opened in the accompanying form in which all details ncerning cheques received, remitted and adjusted will be noted. It will be the duty of the departmental officers to see t cheques sent are promptly realised or, if not cashed for any reasons, are returned to the departmental officer.

(v) On receipt of weekly advices of transfers to the Dewan's Deposit Account, the departments should verify the ount and furnish necessary classification for the same to the Books Section of the Comptroller's Office without delay in the m annexed.

(vi) This procedure of accounting will apply to the Railway and Electrical Departments also.

The new procedure will be brought into force with effect from November 1946.

To

All Officers of the State who draw or countersign Pre-audit Bills.

Subject:—The presentation of contingent and supplies and services bills for pre-audit and payment before the end of the official year 1949-50.

If a large number of bills which have to be pre-audited and paid before the close of the official year 1949–50 are sent to the Audit Office during the last few days of March 1950, it will result in great inconvenience and severe strain on the Pay Section and other Audit Sections of this Office. Therefore, all drawing and countersigning officers are requested to arrange for the expeditious disposal of such bills at all stages and for the transmission of the same to this office from now onwards, as and when each bill is ready to be sent to this office, so that there may be no congestion of work in this office towards the close of the official year. This step will also ensure that a number of these bills are not carried over un-audited to the next official year.

The audit of bills for contingencies and supplies and services received in this office after the 25th of March 1950 cannot ordinarily be expected to be completed by the 31st of March 1950.

Circular dated 16th March 1950.

To

All Indenting Officers.

Subject:—Enclosing general receipts in support of Railway freight claims included in firms' bills.

No. 566.B. II. It is observed that in most of the firn bills which include claims on account of Railway freight the freight charges are not supported by receipts granted b the Railway Department and while objections are raised fo want of these receipts such claims are being pressed for admis sion in audit on the strength of the certificate recorded on th bills, on the ground that the Railway receipts (R.R.) ar surrendered to the Railway Department before takin delivery of the goods.

In this connection, it may be mentioned that the Railwa Department gives a general receipt in respect of freigh charges paid, if demanded. As, for purposes of audit, suc a receipt is necessary, the departmental officers are hereb advised to write to the supplying firms to obtain receipts b demanding them and attach the same in support of the claim regarding freight charges paid by them so that delay in pass ing these bills in pre-audit may be minimised.

6936

Circular dated 16th March 1950.

To

The Heads of all Departments.

The attention of the Heads of Departments is invited to Rule 8 of Appendix 'Q', Mysore Service Regulations, regard ing the procedure to be adopted for determining the rightfu claimants to the compassionate gratuity which is purely a discretionary gift from Government meant for the distinct benefit of the several dependent members of the family of the deceased. The grant of compassionate gratuity being at the discretion of Government, the same has to be exercised agreeably to justice, equity and good conscience. In ascertaining the dependent status of the claimants to the compassionate gratuity the following procedure has to be observed as directed by Government:—

1 The main criterion for the grant of compassionate gratuity is the dependence of the several members of the family upon the deceased for support. But as some interval between the date of death of the official and the date of application for compassionate gratuity and its sanction is inevitable, Government have ordered that officers who forward the C.G. papers to the Comptroller should carefully examine whether the status of the members of the family of the deceased as defined in the rules continues to be of a " dependent " nature when the concerned papers are forwarded for sanction. It is, therefore, very important to see whether at the time of sanction of compassionate gratuity, the dependent status of the heirs and dependents as defined in Rule 8 of Appendix 'Q', Mysore Service Regulations, remains unchanged.

2 Of the several members of the family of the deceased the wife, minor children and widowed mother of the deceased may at once be held as coming under the definition " family " in the rule cited above. The father, if alive, comes in too for a share if he was not earning and was dependent on the deceased. As regards major sons, they come under the term " family " if they are still studying or learning a trade at the time of sanction of compassionate gratuity, their dependent status at the time of death of the deceased being of no consideration. Even after Government sanction the compassionate gratuity, if it should be found that the status of any of the dependents has changed, the Head of the Department concerned should report to Government and Comptroller and seek Government orders before authorising disbursement.

The claims of married daughters have to be ignored but those of widowed daughters who were dependent upon the deceased merit consideration.

The Heads of Departments and Officers are requested to bear the above general principles enunciated by Government in mind, when entertaining or recommending applications for compassionate gratuity from the heirs of the deceased employees of Government.

V. T. SREENIVASAN,
Comptroller.

V. T. SREENIVASAN,
Comptroller.

COMPTROLLER'S OFFICE, BANGALORE.

Circular dated 16th March 1950.

To

The Heads of all Departments.

The attention of the Heads of Departments is invited to Rule 8 of Appendix 'Q', Mysore Service Regulations, regarding the procedure to be adopted for determining the rightful claimants to the compassionate gratuity which is purely a discretionary gift from Government meant for the distinct benefit of the several dependent members of the family of the deceased. The grant of compassionate gratuity being at the discretion of Government, the same has to be exercised agreeably to justice, equity and good conscience. In ascertaining the dependent status of the claimants to the compassionate gratuity the following procedure has to be observed as directed by Government:—

1 The main criterion for the grant of compassionate gratuity is the dependence of the several members of the family upon the deceased for support. But as some interval between the date of death of the official and the date of application for compassionate gratuity and its sanction is inevitable, Government have ordered that officers who forward the C.G. papers to the Comptroller should carefully examine whether the status of the members of the family of the deceased as defined in the rules continues to be of a "dependent" nature when the concerned papers are forwarded for sanction. It is, therefore, very important to see whether at the time of sanction of compassionate gratuity, the dependent status of the heirs and dependents as defined in Rule 8 of Appendix 'Q', Mysore Service Regulations, remains unchanged.

2 Of the several members of the family of the deceased, the wife, minor children and widowed mother of the deceased may at once be held as coming under the definition "family" in the rule cited above. The father, if alive, comes in too for a share if he was not earning and was dependent on the deceased. As regards major sons, they come under the term "family" if they are still studying or learning a trade at the time of sanction of compassionate gratuity, their dependent status at the time of death of the deceased being of no consideration. Even after Government sanction the compassionate gratuity, if it should be found that the status of any of the dependents has changed, the Head of the Department concerned should report to Government and Comptroller and seek Government orders before authorising disbursement.

The claims of married daughters have to be ignored but those of widowed daughters who were dependent upon the deceased merit consideration.

The Heads of Departments and Officers are requested to bear the above general principles enunciated by Government in mind, when entertaining or recommending applications for compassionate gratuity from the heirs of the deceased employees of Government.

Circular dated 16th March 1950.

To

All Indenting Officers.

Subject:—Enclosing general receipts in support of Railway freight claims included in firms' bills.

No. 566.B. II. It is observed that in most of the firm bills which include claims on account of Railway freight, the freight charges are not supported by receipts granted by the Railway Department and while objections are raised for want of these receipts such claims are being pressed for admission in audit on the strength of the certificate recorded on the bills, on the ground that the Railway receipts (R.R.) are surrendered to the Railway Department before taking delivery of the goods.

In this connection, it may be mentioned that the Railway Department gives a general receipt in respect of freight charges paid, if demanded. As, for purposes of audit, such a receipt is necessary, the departmental officers are hereby advised to write to the supplying firms to obtain receipts by demanding them and attach the same in support of the claims regarding freight charges paid by them so that delay in passing these bills in pre-audit may be minimised.

Notification dated 28th March 1950.

To

The Heads of all Departments.

Subject:—Indenting of Typewriters.

Sir,

No. 15162. I write to invite your kind reference to G. O. No. C. 1396-450—Co. 60-49-2, dated Bangalore, 9th March 1950, on the above subject, and to state that in view of the disparity between the prices of American Typewriters and the typewriters of Non-American origin like the 'HALDA' and the 'OLIVETTI' it is desirable that only these latter makes are indented whenever typewriters are to be purchased.

I therefore request that while typewriters are indented for your department the purchase of the non-American machines may be considered for a period of one year.

2. In this connection, I might state that though the make that are to be purchased are prescribed in the above G.O. No., change in the existing procedure for obtaining typewriters is contemplated.

The purchase of typewriters direct from firms is still prohibited by the Government of India and applications have to be sent to the undersigned in the first instance.

3. I therefore request you to kindly circulate the above information amongst your subordinate officers.

FINANCIAL DEPARTMENT

COMPTROLLER'S OFFICE, BANGALORE.

No. 11—C.A.S., dated 29th March 1950.

To

All Officers having transactions with State Treasuries.

Subject:—Classification of transactions between Central and State Governments to be indicated prominently on all chellans and bills presented at State Treasuries on and after 1st April 1950.

I have the honour to inform you that as a result of the Federal Financial Integration from 1st April 1950, State Treasuries have to maintain and render two sets of accounts, one for Central transactions and the other for all other transactions including those of Railways and other Provincial Governments. To enable the treasuries to classify the transactions correctly in the two Sections of the Treasury accounts, I request that chellans and bills relating to Central transactions may be caused to be marked prominently "Central" just above entries of heads of classification and that other chellans and bills be marked conspicuously "State" with additional words "Mysore", "Madras", etc., to indicate the Government to which the transactions relate. As Treasuries will find difficulty in classifying chellans and bills not furnishing the above information, I request that the broad classification referred to may kindly be caused to be furnished before the documents are presented at treasuries.

Yours faithfully,
V. T. SREENIVASAN,
Comptroller.

FINANCIAL DEPARTMENT

COMPTROLLER'S OFFICE, BANGALORE.

No. 11—C.A.S., dated 29th March 1950.

To

All Officers having transactions with State Treasuries.

Subject:—Classification of transactions between Central and State Governments to be indicated prominently on all chellans and bills presented at State Treasuries on and after 1st April 1950.

I have the honour to inform you that as a result of the Federal Financial Integration from 1st April 1950, State Treasuries have to maintain and render two sets of accounts, one for Central transactions and the other for all other transactions including those of Railways and other Provincial Governments. To enable the treasuries to classify the transactions correctly in the two Sections of the Treasury accounts, I request that chellans and bills relating to Central transactions may be caused to be marked prominently "Central" just above entries of heads of classification and that other chellans and bills be marked conspicuously "State" with additional words "Mysore", "Madras", etc., to indicate the Government to which the transactions relate. As Treasuries will find difficulty in classifying chellans and bills not furnishing the above information, I request that the broad classification referred to may kindly be caused to be furnished before the documents are presented at treasuries.

Yours faithfully,

V. T. SREENIVASAN,

Comptroller.

7272

Circular dated 16th March 1950.

The Heads of all Departments.

The attention of the Heads of Departments is invited to Rule 8 of Appendix 'Q', Mysore Service Regulations, regarding the procedure to be adopted for determining the rightful claimants to the compassionate gratuity which is purely a discretionary gift from Government meant for the distinct benefit of the several dependent members of the family of the deceased. The grant of compassionate gratuity being at the discretion of Government, the same has to be exercised agreeably to justice, equity and good conscience. In ascertaining the dependent status of the claimants to the compassionate gratuity the following procedure has to be observed as directed by Government:—

1 The main criterion for the grant of compassionate gratuity is the dependence of the several members of the family upon the deceased for support. But as some interval between the date of death of the official and the date of application for compassionate gratuity and its sanction is inevitable, Government have ordered that officers who forward the C.G. papers to the Comptroller should carefully examine whether the status of the members of the family of the deceased as defined in the rules continues to be of a "dependent" nature when the concerned papers are forwarded for sanction. It is, therefore, very important to see whether at the time of sanction of compassionate gratuity, the dependent status of the heirs and dependents as defined in Rule 8 of Appendix 'Q', Mysore Service Regulations, remains unchanged.

2 Of the several members of the family of the deceased, the wife, minor children and widowed mother of the deceased may at once be held as coming under the definition "family" in the rule cited above. The father, if alive, comes in too for a share if he was not earning and was dependent on the deceased. As regards major sons, they come under the term "family" if they are still studying or learning a trade at the time of sanction of compassionate gratuity, their dependent status at the time of death of the deceased being of no consideration. Even after Government sanction the compassionate gratuity, if it should be found that the status of any of the dependents has changed, the Head of the Department concerned should report to Government and Comptroller and seek Government orders before authorising disbursement.

The claims of married daughters have to be ignored b those of widowed daughters who were dependent upon th deceased merit consideration.

The Heads of Departments and Officers are requested bear the above general principles enunciated by Governme in mind, when entertaining or recommending applications f compassionate gratuity from the heirs of the deceas employees of Government.

6954

Circular dated 16th March 1950.

To

All Indenting Officers.

Subject:—Enclosing general receipts in support of Railwa freight claims included in firms' bills.

No. 566.B. II. It is observed that in most of the fir bills which include claims on account of Railway freight the freight charges are not supported by receipts granted b the Railway Department and while objections are raised, fo want of these receipts such claims are being pressed for admis sion in audit on the strength of the certificate recorded on th bills, on the ground that the Railway receipts (R.R.) ar surrendered to the Railway Department before takin delivery of the goods.

In this connection, it may be mentioned that the Railwa Department gives a general receipt in respect of freigh charges paid, if demanded. As, for purposes of audit, suc a receipt is necessary, the departmental officers are hereb advised to write to the supplying firms to obtain receipts b demanding them and attach the same in support of the claim regarding freight charges paid by them so that delay in pass ing these bills in pre-audit may be minimised.

To

All Officers having transactions with State Treasuries.

I have the honour to inform you that as a result of the Federal Financial Integration from 1st April 1950, State Treasuries have to maintain and render two sets of accounts, one for Central transactions and the other for all other transactions including those of Railways and other Provincial Governments. To enable the treasuries to classify the transactions correctly in the two Sections of the Treasury accounts, I request that chellans and bills relating to Central transactions may be caused to be marked prominently "Central" just above entries of heads of classification and that other chellans and bills be marked conspicuously "State" with additional words "Mysore", "Madras", etc., to indicate the Government to which the transactions relate. As Treasuries will find difficulty in classifying chellans and bills not furnishing the above information, I request that the broad classification referred to may kindly be caused to be furnished before the documents are presented at treasuries.

Yours faithfully,

FINANCIAL DEPARTMENT

COMPTROLLER'S OFFICE, BANGALORE.

No. 11—C.A.S., dated 29th March 1950.

To

All Officers having transactions with State Treasuries.

Subject:—Classification of transactions between Central and State Governments to be indicated prominently on all chellans and bills presented at State Treasuries on and after 1st April 1950.

I have the honour to inform you that as a result of the Federal Financial Integration from 1st April 1950, State Treasuries have to maintain and render two sets of accounts, one for Central transactions and the other for all other transactions including those of Railways and other Provincial Governments. To enable the treasuries to classify the transactions correctly in the two Sections of the Treasury accounts, I request that chellans and bills relating to Central transactions may be caused to be marked prominently "Central" just above entries of heads of classification and that other chellans and bills be marked conspicuously "State" with additional words "Mysore", "Madras", etc., to indicate the Government to which the transactions relate. As Treasuries will find difficulty in classifying chellans and bills not furnishing the above information, I request that the broad classification referred to may kindly be caused to be furnished before the documents are presented at treasuries.

Yours faithfully,

V. T. SREENIVASAN,

Comptroller.

To

All Treasury Officers and Drawing Officers.

Subject:—Proper Classification and Preparation of correct and complete statement of recoveries towards Life Insurance Fund.

No. 19—B2. It has been brought to the notice of this office by the Insurance Department that instructions issued by this office in Circular No. 501—B. II, dated 17th November 1948, on the above subject are not being strictly followed. The Auditors of the Insurance Department for the year 1946-47 have also observed that in regard to Premium Deduction Statements the particulars furnished are often incomplete and incorrect in the matter of noting the policy numbers, names of the insured and separate noting of premia for Official and Public Branch Policies. The Drawing Officers are hereby directed to bestow their personal attention in this regard so that such irregularities may be avoided in future, and the Treasury Officers on their part may refuse to encash salary and establishment which fail to furnish the above details.

Recurrance of irregularities of the above kind referred to by the Secretary, Insurance Department, will have to be taken serious notice of.

D. SESHAGIRI RAO,

Circular No. 575—B-2, dated 8th April 1950.

To

All the Treasury Officers.

Subject:—Acceptance of Cheques by Treasuries from private parties for purchase of Savings Certificates.

An instance has come to the notice of the undersigned in which a Treasury Officer has refused to accept a crossed cheque issued in favour of the Treasury Officer for the purchase of Savings Certificates on the ground that cheques from private persons are not accepted. In this connection, reference is invited to para 8 of Annexure to Savings Certificate Rules (reproduced below for information*) in which definite instructions have been laid down that payments for purchase of Savings Certificates may be made by means of crossed or open cheques by parties desiring such investments.

*Para 8. Payment by cheque: (i) Payment to the Treasury may be made by crossed or open cheque at the option of the purchaser. In the case of cheques, they should be either drawn in favour of the Treasury Officer to whom the application is presented or endorsed to him. The Certificates should be prepared only after advice of realisation is received from the Bank but they should be made out in the same way as if the purchaser had tendered cash and should bear the date of realisation of cheque and not of advice." The Treasury Officer should, however, grant the purchaser a temporary receipt for the cheque.

1 A remark should be made in red ink in the journal of certificates issued in the remarks column "Paid for by cheque". When the cheque is cashed or advice is received of its encashment, a note of this should be made against it, and the certificates delivered to the purchaser on his surrendering the provisional receipts after obtaining an acknowledgment in a book to be maintained for the purpose. The provisional receipts have to be preserved for six months.

FINANCIAL DEPARTMENT

COMPTROLLER'S OFFICE, BANGALORE.

No. 11—C.A.S., dated 29th March 1950.

To

All Officers having transactions with State Treasuries.

Subject:—Classification of transactions between Central and State Governments to be indicated prominently on all chellans and bills presented at State Treasuries on and after 1st April 1950.

I have the honour to inform you that as a result of the Federal Financial Integration from 1st April 1950, State Treasuries have to maintain and render two sets of accounts, one for Central transactions and the other for all other transactions including those of Railways and other Provincial Governments. To enable the treasuries to classify the transactions correctly in the two Sections of the Treasury accounts, I request that chellans and bills relating to Central transactions may be caused to be marked prominently "Central" just above entries of heads of classification and that other chellans and bills be marked conspicuously "State" with additional words "Mysore", "Madras", etc., to indicate the Government to which the transactions relate. As Treasuries will find difficulty in classifying chellans and bills not furnishing the above information, I request that the broad classification referred to may kindly be caused to be furnished before the documents are presented at treasuries.

Yours faithfully,
V. T. SREENIVASAN,
Comptroller.

To

Subject:—Proper Classification and Preparation of correct and complete statement of recoveries towards Life Insurance Fund.

No. 19—B2. It has been brought to the notice of this office by the Insurance Department that instructions issued by this office in Circular No. 501—B. II, dated 17th November 1948, on the above subject are not being strictly followed. The Drawing Officers are hereby directed to bestow their personal attention in this regard so that such irregularities may be avoided in future, and the Treasury Officers on their part may refuse to encash salary and establishment which fail to furnish the above details.

Recurrance of irregularities of the above kind referred to by the Secretary, Insurance Department, will have to be taken serious notice of.

Circular No. 575—B-2, dated 8th April 1950.

To

All the Treasury Officers.

Subject :—Acceptance of Cheques by Treasuries from private parties for purchase of Savings Certificates.

An instance has come to the notice of the undersigned in which a Treasury Officer has refused to accept a crossed cheque issued in favour of the Treasury Officer for the purchase of Savings Certificates on the ground that cheques from private persons are not accepted. In this connection, reference is invited to para 8 of Annexure to Savings Certificate Rules (reproduced below for information*) in which definite instructions have been laid down that payments for purchase of Savings Certificates may be made by means of crossed or open cheques by parties desiring such investments.

*Para 8. Payment by cheque : (i) Payment to the Treasury may be made by crossed or open cheque at the option of the purchaser. In the case of cheques, they should be either drawn in favour of the Treasury Officer to whom the application is presented or endorsed to him. The Certificates should be prepared only after advice of realisation is received from the Bank but they should be made out in the same way as if the purchaser had tendered cash and should bear the date of realisation of cheque and not of advice." The Treasury Officer should, however, grant the purchaser a temporary receipt for the cheque.

1 A remark should be made in red ink in the journal of certificates issued in the remarks column " Paid for by cheque ". When the cheque is cashed or advice is received of its encashment, a note of this should be made against it, and the certificates delivered to the purchaser on his surrendering the provisional receipts after obtaining an acknowledgment in a book to be maintained for the purpose. The provisional receipts have to be preserved for six months.

2 Any commission charged by Banks for realising the value of crossed cheques passed on by Treasuries, will be shown by the Treasury Officer realising the value of the cheque as a " Miscellaneous payment " in his schedule of unclassified items, the full amounts of the cheque being credited on his account. The commission charged for the realisation of the cheque has to be collected from the investor before the Savings Certificate is delivered to him.

3 The certificate should not be prepared until the advice of realisation is received. "

The Treasury Officers should follow these rules and avoid inconvenience to the public.

FINANCIAL DEPARTMENT

COMPTROLLER'S OFFICE, BANGALORE.

No. 11—C.A.S., dated 29th March 1950.

To

All Officers having transactions with State Treasuries.

Subject:—Classification of transactions between Central and State Governments to be indicated prominently on all chellans and bills presented at State Treasuries on and after 1st April 1950.

I have the honour to inform you that as a result of the Federal Financial Integration from 1st April 1950, State Treasuries have to maintain and render two sets of accounts, one for Central transactions and the other for all other transactions including those of Railways and other Provincial Governments. To enable the treasuries to classify the transactions correctly in the two Sections of the Treasury accounts, I request that chellans and bills relating to Central transactions may be caused to be marked prominently "Central" just above entries of heads of classification and that other chellans and bills be marked conspicuously "State" with additional words "Mysore", "Madras", etc., to indicate the Government to which the transactions relate. As Treasuries will find difficulty in classifying chellans and bills not furnishing the above information, I request that the broad classification referred to may kindly be caused to be furnished before the documents are presented at treasuries.

Yours faithfully,
V. T. SREENIVASAN,
Comptroller.

OFFICE OF THE ACCOUNTANT-GENERAL IN MYSORE, BANGALORE.

Circular No. 575—B-2, dated 8th April 1950.

All the Treasury Officers.

Subject :—Acceptance of Cheques by Treasuries from private parties for purchase of Savings Certificates.

An instance has come to the notice of the undersigned in hich a Treasury Officer has refused to accept a crossed eque issued in favour of the Treasury Officer for the rchase of Savings Certificates on the ground that cheques om private persons are not accepted. In this connection, ference is invited to para 8 of Annexure to Savings Certifite Rules (reproduced below for information*) in which finite instructions have been laid down that payments for rchase of Savings Certificates may be made by means of ossed or open cheques by parties desiring such investments.

*Para 8. Payment by cheque: (i) Payment to the Treasury may be made by crossed or open cheque at the option of the purchaser. In the case of cheques, they should be either drawn in favour of the Treasury Officer to whom the application is presented or endorsed to him. The Certificates should be prepared only after advice of realisation is received from the Bank but they should be made out in the same way as if the purchaser had tendered cash and should bear the date of realisation of cheque and not of advice." The Treasury Officer should, however, grant the purchaser a temporary receipt for the cheque.

1 A remark should be made in red ink in the journal of certificates issued in the remarks column "Paid for by cheque". When the cheque is cashed or advice is received of its encashment, a note of this should be made against it, and the certificates delivered to the purchaser on his surrendering the provisional receipts after obtaining an acknowledgment in a book to be maintained for the purpose. The provisional receipts have to be preserved for six months.

2 Any commission charged by Banks for realising the value of crossed cheques passed on by Treasuries, will be shown by the Treasury Officer realising the value of the cheque as a "Miscellaneous payment" in his schedule of unclassified items, the full amounts of the cheque being credited on his account. The commission charged for the realisation of the cheque has to be collected from the investor before the Savings Certificate is delivered to him.

3 The certificate should not be prepared until the advice of realisation is received."

The Treasury Officers should follow these rules and avoid nconvenience to the public.

NOTIFICATIONS BY THE HEADS OF DEPARTMENTS

JUDICIAL DEPARTMENT

BANGALORE DISTRICT.

Notification dated 8th May 1950.

No. G.L.A. 12—50-51. It has come to my notice that during Military firing practice in villages round about Vijayapuram, Devanahally Taluk, large number of bomb shells both discharged and live ones are found to be scattered about and villagers either out of curiosity or with the wrong belief that they are iron articles of use pick them up and retain them in their houses. In one instance a villager wrongly believing that it is a lump of iron heated the same in a oven and the shell being not discharged exploded and thereby c person died as a result caused by such explosion.

I therefore call upon all villagers round about Vijayapur not to pick up such shells and if they have already done they must carefully carry them and deliver the same either nearest Police Station or to their village Patel who will turn hand them over to the Police Station. It is furth intimated that unauthorised possession of explosives is offence under rule 6 of the Mysore Explosives Rules 19 Any one who fails to comply with the instructions gi will be liable for prosecution.

FINANCIAL DEPARTMENT

COMPTROLLER'S OFFICE, BANGALORE.

No. 11—C.A.S., dated 29th March 1950.

To

All Officers having transactions with State Treasuries.

Subject:—Classification of transactions between Central and State Governments to be indicated prominently on all chellans and bills presented at State Treasuries on and after 1st April 1950.

I have the honour to inform you that as a result of the Federal Financial Integration from 1st April 1950, State Treasuries have to maintain and render two sets of accounts, one for Central transactions and the other for all other transactions including those of Railways and other Provincial Governments. To enable the treasuries to classify the transactions correctly in the two Sections of the Treasury accounts, I request that chellans and bills relating to Central transactions may be caused to be marked prominently "Central" just above entries of heads of classification and that other chellans and bills be marked conspicuously "State" with additional words "Mysore", "Madras", etc., to indicate the Government to which the transactions relate. As Treasuries will find difficulty in classifying chellans and bills not furnishing the above information, I request that the broad classification referred to may kindly be caused to be furnished before the documents are presented at treasuries.

Yours faithfully,

FINANCIAL DEPARTMENT

COMPTROLLER'S OFFICE, BANGALORE.

No. 11—C.A.S., dated 29th March 1950.

To

All Officers having transactions with State Treasuries.

Subject :—Classification of transactions between Central and State Governments to be indicated prominently on all chellans and bills presented at State Treasuries on and after 1st April 1950.

I have the honour to inform you that as a result of the Federal Financial Integration from 1st April 1950, State Treasuries have to maintain and render two sets of accounts, one for Central transactions and the other for all other transactions including those of Railways and other Provincial Governments. To enable the treasuries to classify the transactions correctly in the two Sections of the Treasury accounts, I request that chellans and bills relating to Central transactions may be caused to be marked prominently "Central" just above entries of heads of classification and that other chellans and bills be marked conspicuously "State" with additional words "Mysore", "Madras", etc., to indicate the Government to which the transactions relate. As Treasuries will find difficulty in classifying chellans and bills not furnishing the above information, I request that the broad classification referred to may kindly be caused to be furnished before the documents are presented at treasuries.

Yours faithfully,

7272

V. T. SREENIVASAN, *Comptroller.*

FINANCIAL DEPARTMENT

COMPTROLLER'S OFFICE, BANGALORE.

No. 11—C.A.S., dated 29th March 1950.

To

All Officers having transactions with State Treasuries.

Subject:—Classification of transactions between Central and State Governments to be indicated prominently on all chellans and bills presented at State Treasuries on and after 1st April 1950.

I have the honour to inform you that as a result of the Federal Financial Integration from 1st April 1950, State Treasuries have to maintain and render two sets of accounts, one for Central transactions and the other for all other transactions including those of Railways and other Provincial Governments. To enable the treasuries to classify the transactions correctly in the two Sections of the Treasury accounts, I request that chellans and bills relating to Central transactions may be caused to be marked prominently "Central" just above entries of heads of classification and that other chellans and bills be marked conspicuously "State" with additional words "Mysore", "Madras", etc., to indicate the Government to which the transactions relate. As Treasuries will find difficulty in classifying chellans and bills not furnishing the above information, I request that the broad classification referred to may kindly be caused to be furnished before the documents are presented at treasuries.

Yours faithfully,
V. T. SREENIVASAN, *Comptroller.*

Notification dated 25th May 1950.

It is noticed that indents for the several kinds of Stamps are being received from both the stamp vendors and the Heads of the Offices and Educational Institutions in Chitaldrug almost every day. As this has resulted in very heavy work in the Treasury it is proposed to confine issues of stamps to two days in the week only, *viz.* Tuesdays and Fridays. Stamps will be issued on these two days provided the indent therefor is received by 1 P.M. on the day previous to the day of issue. The Heads of Offices and of Educational Institutions and the Stamp Vendors are therefore requested to ensure that their indents for stamps reach this office on Mondays and Thursdays preceding the Tuesdays and Fridays on which they want to obtain stamps.

Notification dated 16th May 1950.

Instructions to State Nominees who deal in Indian Mill Cloth.

No. T.1699. In modification of this office Notification No. T. 2369, dated 27th September 1949, and instructions issued from time to time till date to the nominees who deal in mill cloth and in exercise of the powers conferred on me by clause 30 and sub-clause 1 (a) and (b) of clause 32 of the Mysore Cotton Textiles (Control) Order, 1948, I hereby lay down the revised procedure in the matter of distribution of cloth of various mills by the State Nominees.

(1) The State Nominees will continue to function subject to the existing rules in force with regard to the conditions of license issued to them, the margin of profits, handling and transportation charges and other general instructions.

LOCAL MILL GOODS.

(2) The monthly allotment of local Mill Goods, Buckingham and Carnatic Mill goods and Mettur Mill goods will be arranged in favour of State Nominees only as at present. Allotment of the above Mill goods to the wholesale dealers will be arranged through the Purchase Authorities as heretofore after declaration of stocks on the appointed date.

(3) (i) While declaring stocks, fine Sarees and fine Dhoties of local mills should be declared separately for purposes of allotment.

(ii) Local Mill fents and seconds should be declared separately by the Nominees as usual for allotment to the Ready-made Dress makers.

(iii) Such of the nominees as are in receipt of Khaki cloth, Buckingham and Carnatic Mill goods and Mettur Mill goods should declare such stocks separately as and when they are received for purposes of allotment.

(4) In case the local Mills should be in a position to offer local Mill goods under free sale to any State Nominee, the goods so purchased should be declared to this office for allotment to wholesalers through the Purchase Authorities and such goods should not be sold under free sale.

(5) When the goods are allotted to the wholesalers the State Nominees should give them 8 day's time from the date of Purchase Authority to enable the latter to purchase the goods (for purpose of calculating 8 days, the date of Purchase Authority should be excluded). Where the wholesalers fail to lift the alloted goods within 8 days the goods may be treated as lapsed and should be redeclared furnishing the name of the wholesaler with the quantity and variety of goods lapsed for purposes of reallotment. The above conditions hold good even in respect of local Mill fents and seconds allotted to wholesalers. Further, the State Nominees should declare the balance of declared stocks that may remain over after allotment while declaring the stocks for subsequent allotment.

(6) While selling the allotted goods or the goods under reallotment, the nominees should not force goods such as woollen goods, silk goods, handloom goods and powerloom goods which do not come under control. Complaints received in this behalf will be seriously noticed which will result in the cancellation of their licenses or suspension of their quotas.

(7) Local Mill goods should not be sold under any circumstances to 'N' wholesale licensees.

BOMBAY, AHMEDABAD AND OTHER MILL GOODS.

(8) The allotment of monthly quotas of Bombay and Ahmedabad goods by the Textile Commissioner, Bombay, will be arranged as usual in favour of the State Nominees. The State Nominees are free to purchase any quantity of cloth from Mills at Bombay, Ahmedabad, Sholapur and other centres outside the State under free sale. The goods purchased under allotment as well as under free sale by the State Nominees should be declared under separate headings to this office for purpose of allotment to wholesale dealers. Each nominee should declare stocks furnishing information about the quantity and variety of goods purchased from the selected Mills and from non-selected Mills separately. Before taking delivery of goods from the railway station, they should get the Railway Receipts registered and endorsed by this office and they should not take delivery of goods from the railways without such countersignature from this office.

(9) Bombay and Ahmedabad fents and seconds should be declared separately for purposes of allotment.

(10) The following categories of goods may be sold under free sale by the nominees but they should state the quantity purchased and the parties to whom these goods are sold when each consignment is exhausted:—

(1) Art Silk mixed goods.
(2) Handkerchiefs and other non-wearables as defined by the Textile Commissioner, Bombay, except umbrella cloth and towels.
(3) Goods imported from the South Indian Mills under free sale excluding goods manufactured in Buckingham and Carnatic Mills and Mettur Mills.
(4) Goods imported from Nagpur Centre.
(5) Karkhana printed goods (otherwise called as cheepa chintz Mill cloth got printed by dyeing and printing factories at Ahmedabad and Bombay).

(11) Whenever Bombay, Ahmedabad and other Mill goods are allotted to wholesale dealers and where the varieties are not indicated, thay should as far as possible distribute the available varieties. To enable the wholesale dealers to lift the goods they should give 10 days' time from the date of sending intimation to the concerned wholesale dealer about their readiness to deliver the goods. If the wholesale dealers do not purchase the allotted goods within 10 days specified, the nominees may treat the goods of non-selected mills as lapsed and may sell such lapsed goods under free sale. As regards selected mill goods, the lapsed goods should be redeclared for allotment with the name of the wholesaler who lapsed the goods and the quantity and variety of the goods so lapsed. While selling Bombay, Ahmedabad and other mill goods under allotment or reallotment instructions contained in para (6) above should be strictly adhered to.

(12) The Nominees should furnish a statement of sale of Bombay, Ahmedabad and Sholapur or other mill goods at the end of each month in the form given below. One copy of such statement should be sent to the Assistant Controller (Textiles) and other two copies should be sent to Enforcement Officer (1) and Enforcement Officer (2). A fourth copy of the

statement may be retained for their file. The above statements should reach the above officers on or before the 5th of the succeeding month.

1334

Notification dated 1st June 1950.

Allotment of yarn to powerlooms was being arranged by the office of the undersigned and for handlooms through the Deputy Commissioners of the Districts concerned except in the cases of Bangalore City and Bangalore Districts, where the distribution was arranged by the Office of the Controller of Civil Supplies, till 6th October 1949. Since the demand for yarn slackened owing to increase in yarn prices and lack of demand for yarn by powerloom and handloom industries. Notification No. T. 2718, dated the 6th October 1949, was issued modifying the method of distribution of yarn and indicating the revised margins of profit after the procurers' margin was waived by Government.

Since the Mills were permitted to export yarn outside India and also selling one-third yarn out of production during each month under free sale, the delivery of yarn has been very much reduced necessitating alteration in the method of distribution as notified in Notification No. T. 2728, dated the 6th October 1949

The following revised arrangements are therefore laid down in exercise of the powers conferred on me by sub-clause (1) (*a*) and (*b*) of clause 32 (1) of Textile Control Order, 1948, and sub-clause 1 (*a*) of clause 22 of the Mysore Cotton Textile Control Order, 1948, as the matter relates to distribution, and margins of profit of dealers, respectively.

METHOD OF DISTRIBUTION.

Hereafter the State nominees will function subject to conditions laid down below, with effect from the date of this notification:

The procurers of certain mills who were not entitled to procurers' margin will function as agents of the respective mills and sell yarn at ex-mill rate *plus* sales-tax *plus* ½ % centage (to be remitted to the Government as before) *plus* actual transport charges, if any.

The procurers *cum* consumers who are getting yarn direct from the mills for use in their factories are required to remit ½% centage to Government.

The procurers *cum* wholesalers have got to remit to Government ½% centage on yarn purchased from the mills either under allotment or under free sale.

Where the above classes of distributors purchase yarn permitted from mills either local or foreign under free sale or under *Ad hoc* supplies they should remit ½% centage to Government and declare such stocks to this office for issue of release order.

Wholesalers who are holders of "N" licenses and who are permitted to deal in yarn purchased under free sale from mills outside the State should remit to Government ½% centage on the ex-mill value of the goods they purchase and declare such stocks to this office for issue of necessary release orders. "N" wholesale licenses of Sri Shankara Textile Mills, and Sri Ganeshar Textile Mills, Davangere, should declare their purchases to this office for purposes of allotment.

Shri Shankara Textile Mills, Davangere, and Sri Ganeshar Textile Mills, Davangere, who are required to function as nominees for their yarn sold to wholesale dealers or to "N" wholesale licensees in Mysore State should credit to Government ½% centage.

WHOLESALE YARN DEALERS.

1 The wholesale yarn dealers will be allotted yarn out of the State quota as at present and they are entitled to charge 2½% wholesale margin on yarn sold to retail dealers or to powerloom factories.

2 Wholesale yarn dealers to whom powerloom factories are attached are required to sell yarn to them as per the quota to be fixed from time to time. In case such powerlooms factories do not pay for the goods and lift the allotted quota within ten days from the date, the concerned wholesale dealer sends intimation to the powerlooms concerned, then the quotas of such powerlooms may be treated as lapsed and declared to this office for purposes of reallotment.

3 Wholesale yarn dealers who are now attached to the districts for purposes of yarn distribution to retail yarn dealers should declare the monthly quota to the Deputy Commissioners concerned and sell yarn to retailers on permits to be issued by the Deputy Commissioner, in favour of the retailers of the district.

(*i*) Where the retailers fail to lift the quota allotted to them or the permits are not issued in favour of retailers, the wholesale yarn dealers should declare stocks lapsed or unallotted on the 5th of the succeeding month and obtain distribution instructions from this office as regards the disposal of such lapsed or unallotted bales.

4 Where the wholesale yarn dealers purchase yarn under free sale direct from the mills (either local or foreign) they are required to remit ½ % centage to Government and declare such stocks for allotment by the office.

5 Yarn purchased by wholesale yarn dealers under free sale from the mills for purposes of export outside the State is subject to the same procedure as laid down in para 4 above.

RETAIL YARN DEALERS.

The retail yarn dealers in the State should purchase yarn on permits issued by the Deputy Commissioners or by this office as the case may be and sell such yarn to the weavers attached to them. They should charge 5 per cent retail margin only calculated on ex-mill rate.

MARGIN OF PROFIT AND OTHER CHARGES.

In effect, the margins of profits will be as indicated below on Rs. 100 ex-mill value of yarn.

		Rs.	a.	p.	
1 Sales Tax	...	0	8	0	(Calculated on ex-mill value)
2 Centage	...	0	8	0	Do
3 Wholesale Margin	...	2	8	0	Do
4 Retail Margin	...	5	0	0	Do
Total	...	8	8	0	

HANDLING AND TRANSPORT CHARGES ON YARN FROM MILLS TO CONSUMERS.

1 In the case of yarn manufactured in the Mysore Spinning and Weaving Mills, Minerva Mills, Krishnarajendra Mills, Bangalore Woollen, Cotton and Silk Mills, Bangalore, the dealers can charge actual handling and transportation charges which in the aggregate should not exceed 0-5-0 per bundle of 10 lbs. by the time yarn reaches the consumers.

2 On yarn manufactured in Davangere Mills, Sri Shankara Textile Mills and Sri Ganeshar Textile Mills, Davangere, they are entitled to charge actual charges which in the aggregate should not exceed seven annas (0-7-0) per bundle of 10 lbs. by the time yarn reaches the consumers.

3 *On* yarn manufactured in mills, outside Mysore State, they are entitled to charge actual expenditure which in the aggregate should not exceed Re. 0-10-0 per bundle of 10 lbs. by the time yarn reaches the consumers.

4 Since the mills have commenced to mark ex-mill rate as well as retail rate on yarn (which is 12% above ex-mill rate) as against the maximum retail selling rate of $8\frac{1}{2}$% *plus* transport charges over ex-mill rate allowed in Mysore, the retail yarn dealers are yarned that they should sell yarn at ex-mill rate *plus* $8\frac{1}{2}$% *plus* transportation charges specified above and not at the retail selling rate marked on yarn by the mills.

The above revised arrangements in yarn distribution will come into force from the date of this notification and will continue to remain in force until further orders.

Controller of Civil Supplies.

FINANCIAL DEPARTMENT

COMPTROLLER'S OFFICE, BANGALORE.

No. 11—C.A.S., dated 29th March 1950.

To

All Officers having transactions with State Treasuries.

Subject:—Classification of transactions between Central and State Governments to be indicated prominently on all chellans and bills presented at State Treasuries on and after 1st April 1950.

I have the honour to inform you that as a result of the Federal Financial Integration from 1st April 1950, State Treasuries have to maintain and render two sets of accounts, one for Central transactions and the other for all other transactions including those of Railways and other Provincial Governments. To enable the treasuries to classify the transactions correctly in the two Sections of the Treasury accounts, I request that chellans and bills relating to Central transactions may be caused to be marked prominently "Central" just above entries of heads of classification and that other chellans and bills be marked conspicuously "State" with additional words "Mysore", "Madras", etc., to indicate the Government to which the transactions relate. As Treasuries will find difficulty in classifying chellans and bills not furnishing the above information, I request that the broad classification referred to may kindly be caused to be furnished before the documents are presented at treasuries.

Yours faithfully,

GOVERNMENT OF INDIA.

MINISTRY OF FINANCE (REVENUE DIVISION).

New Delhi, the 27th April 1950.

From

Shri Pyare Lal Uppal, M.A.,
Deputy Secretary to the Government of India.

To

(1) The Accountants General and Comptrollers.
(2) All the Ministries of the Government of India.

Sir,

Subject:—Exemption from tax-Assessment of Salaries of persons, formerly employed by Part B States but now employed by the Central Government.

I am directed to say that with effect from 1st April 1950, he Indian Incom-tax Act, 1922, has been extended to all part "B" States (except Jammu and Kashmir) mentioned in he first Schedule to the Constitution of India. In accordance with the recommendations of the Indian States Finances Enquiry Committee, it has been decided that the rates applicable in the first two assessment years 1950-51 and 1951-52 in respect of any income accruing or arising in any Part B States (other than the States of Pepsu and Travancore-Cochin) shall be the rates in force in the State immediately before 1st April 1950, or where no Income-tax was levied in the State before that date then the lowest rates in force in any one of the Part "B" States (*viz.*, the Saurashtra rates). After the first two assessment years, the State rates are to be gradually increased to the level of the rates in the rest of India. Effect to this decision is being given by the issue of an order under Section 60A of the Indian Income-tax Act, 1922.

2. With the taking over by the Central Government of the Federal Subjects, the services of a number of employees of Part "B" States (except Jammu and Kashmir) will be transferred to the Central Government and the employees so transferred, will, in view of the fact that they would be Central Government Servants, be liable to tax at the higher rates prescribed by the Finance Act irrespective of whether they are employed in the State concerned or the rest of India. The Government of India consider that this will cause hardship to the employees who are taken on the same scales of pay as they were drawing in the States before 1st April 1950. The Government of India have therefore decided that these employees of the Central Government should, irrespective of the places of their employment, pay tax on their salaries at the rates which were in force in the State in which they were employed by the State Government before their services were transferred to the Central Government so long as their rates of pay are not revised.

I am therefore to request that this may be brought to the notice of all disbursing officers.

3. A copy of the rates in force in the States is enclosed herewith.

Yours faithfully.

PYARE LAL,
Dy. Secy.

OFFICE OF THE CONTROLLER OF CIVIL SUPPLIES IN MYSORE, BANGALORE.

Notification dated 1st June 1950.

Allotment of yarn to powerlooms was being arranged by the office of the undersigned and for handlooms through the Deputy Commissioners of the Districts concerned except in the cases of Bangalore City and Bangalore Districts, where the distribution was arranged by the Office of the Controller of Civil Supplies, till 6th October 1949. Since the demand for yarn slackened owing to increase in yarn prices and lack of demand for yarn by powerloom and handloom industries. Notification No. T. 2718, dated the 6th October 1949, was issued modifying the method of distribution of yarn and indicating the revised margins of profit after the procurers' margin was waived by Government.

Since the Mills were permitted to export yarn outside India and also selling one-third yarn out of production during each month under free sale, the delivery of yarn has been very much reduced necessitating alteration in the method of distribution as notified in Notification No. T. 2728, dated the 6th October 1949.

The following revised arrangements are therefore laid down n exercise of the powers conferred on me by sub-clause (1) *a*) and (*b*) of clause 32 (1) of Textile Control Order, 1948, and ub-clause 1 (*a*) of clause 22 of the Mysore Cotton Textile Control Order, 1948, as the matter relates to distribution, and margins of profit of dealers, respectively.

METHOD OF DISTRIBUTION.

Hereafter the State nominees will function subject to condi- ions laid down below, with effect from the date of this noti- cation:

The procurers of certain mills who were not entitled to rocurers' margin will function as agents of the respective ills and sell yarn at ex-mill rate *plus* sales-tax *plus* ½ % ntage (to be remitted to the Government as before) *plus* tual transport charges, if any.

The procurers *cum* consumers who are getting yarn direct om the mills for use in their factories are required to remit % centage to Government.

The procurers *cum* wholesalers have got to remit to Govern- ent ½% centage on yarn purchased from the mills either der allotment or under free sale.

Where the above classes of distributors purchase yarn rmitted from mills either local or foreign under free sale or der *Ad hoc* supplies they should remit ½% centage to Government and declare such stocks to this office for issue of release order.

Wholesalers who are holders of "N" licenses and who are permitted to deal in yarn purchased under free sale from mills outside the State should remit to Government ½% centage on the ex-mill value of the goods they purchase and declare such stocks to this office for issue of necessary release orders. "N" wholesale licenses of Sri Shankara Textile Mills, and Sri Ganeshar Textile Mills, Davangere, should declare their purchases to this office for purposes of allotment.

Shri Shankara Textile Mills, Davangere, and Sri Ganeshar Textile Mills, Davangere, who are required to function as nominees for their yarn sold to wholesale dealers or to "N" wholesale licensees in Mysore. State should credit to Government ½% centage.

WHOLESALE YARN DEALERS.

1 The wholesale yarn dealers will be allotted yarn out of the State quota as at present and they are entitled to charge 2½% wholesale margin on yarn sold to retail dealers or to powerloom factories.

2 Wholesale yarn dealers to whom powerloom factories are attached are required to sell yarn to them as per the quota to be fixed from time to time. In case such powerloom factories do not pay for the goods and lift the allotted quota within ten days from the date, the concerned wholesale dealer sends intimation to the powerlooms concerned, then the quotas of such powerlooms may be treated as lapsed and declared to this office for purposes of reallotment.

3 Wholesale yarn dealers who are now attached to the districts for purposes of yarn distribution to retail yarn dealers should declare the monthly quota to the Deputy Commissioners concerned and sell yarn to retailers on permits to be issued by the Deputy Commissioner, in favour of the retailers of the district.

(*i*) Where the retailers fail to lift the quota allotted to them or the permits are not issued in favour of retailers, the wholesale yarn dealers should declare stocks lapsed or unallotted on the 5th of the succeeding month and obtain distribution instructions from this office as regards the disposal of such lapsed or unallotted bales.

4 Where the wholesale yarn dealers purchase yarn under free sale direct from the mills (either local or foreign) they are required to remit ½ % centage to Government and declare such stocks for allotment by the office.

5 Yarn purchased by wholesale yarn dealers under free sale from the mills for purposes of export outside the State is subject to the same procedure as laid down in para 4 above.

RETAIL YARN DEALERS.

The retail yarn dealers in the State should purchase yarn on permits issued by the Deputy Commissioners or by this office as the case may be and sell such yarn to the weavers attached to them. They should charge 5 per cent retail margin only calculated on ex-mill rate.

MARGIN OF PROFIT AND OTHER CHARGES.

In effect, the margins of profits will be as indicated below on Rs. 100 ex-mill value of yarn.

		Rs. a. p.	
1 Sales Tax	...	0 8 0	(Calculated on ex-mill value)
2 Centage	...	0 8 0	Do
3 Wholesale Margin	...	2 8 0	Do
4 Retail Margin	...	5 0 0	Do
Total	...	8 8 0	

HANDLING AND TRANSPORT CHARGES ON YARN FROM MILLS TO CONSUMERS.

1 In the case of yarn manufactured in the Mysore Spinning and Weaving Mills, Minerva Mills, Krishnarajendra Mills, Bangalore Woollen, Cotton and Silk Mills, Bangalore, the dealers can charge actual handling and transportation charges which in the aggregate should not exceed 0-5-0 per bundle of 10 lbs. by the time yarn reaches the consumers.

2 On yarn manufactured in Davangere Mills, Sri Shankara Textile Mills and Sri Ganeshar Textile Mills, Davangere, they are entitled to charge actual charges which in the aggregate should not exceed seven annas (0-7-0) per bundle of 10 lbs. by the time yarn reaches the consumers.

3 On yarn manufactured in mills, outside Mysore State, they are entitled to charge actual expenditure which in the aggregate should not exceed Re. 0-10-0 per bundle of 10 lbs. by the time yarn reaches the consumers.

4 Since the mills have commenced to mark ex-mill rate as well as retail rate on yarn (which is 12% above ex-mill rate) as against the maximum retail selling rate of 8½% *plus* transport charges over ex-mill rate allowed in Mysore, the retail yarn dealers are yarned that they should sell yarn at ex-mill rate *plus* 8½% *plus* transportation charges specified above and not at the retail selling rate marked on yarn by the mills.

The above revised arrangements in yarn distribution will come into force from the date of this notification and will continue to remain in force until further orders.

Notification dated 30th May 1950.

INSTRUCTIONS TO WHOLESALE CLOTH DEALERS IN THE STATE.

No. T. 2138. In modification of this office Notification No. T. 2369, dated 27th September 1949, and instructions issued from time to time to the Wholesale Dealers and in exercise of the powers conferred on me by Clause 30 and Sub Clauses (a) and (b) of Clause 32 (1) of the Mysore Cotton Textiles (Control) Order 1948, revised instructions are issued to the wholesale cloth dealers in the State as regards the sale of Indian Mill Cloth to the retailers, which come into effect from 1st June 1950.

2 Their attention is hereby invited to Notification No. T. 1699, dated 16th May 1950, embodying instructions to State Nominees.

3 The Wholesale dealers will be allotted Bombay, Ahmedabad, Sholapur and other mill goods during each month out of stocks declared by the nominees for controlled distribution. They are free to purchase free sale goods from the nominees in case the same is not taken over for allotment by the office. The goods purchased either under allotment or under free-sale, should be sold to the retailers of the district to which they are attached not exceeding on the aggregate 500 yards to each retailer during each month by each wholesaler. They should note on the purchase slip attached to the retail licenses the details of sales as at present. The wholesale dealers attached to Bangalore City Corporation and Bangalore District are free to sell the above goods to the retailers in Bangalore Corporation and Bangalore District subject to the above quantitative limit as regards sales to retailers by each wholesale dealer.

4 While selling the above goods to the Retailers, the Wholesale dealers should not force goods such as woollen goods, silk goods, hand-loom goods and power-loom goods which do not come under control. Where the above categories of goods are sold to retailers while selling Bombay, Ahmedabad, Sholapur and other mill goods, the wholesale dealer should get an endorsement by the concerned retailer on the cash or credit bill that the retailer has purchased these non-controlled textile goods out of his free choice with his signature and address.

5 The wholesale dealers in Mysore State are free to purchase free-sale goods from mills outside Mysore State. The concerned wholesale dealers should get their railway receipts duly registered and countersigned in the office before they actually take delivery of the goods from the railways. While presenting the Railway Receipts in the office, they should declare the quantity and variety of goods together with a copy of their invoices where they purchase the goods direct from Mills at Ex-Mill rate, they should remit to Government Treasury ½ per cent centage and 2 per cent procurers' margin on the Ex-Mill value of the goods to the head of account "22 I & C Civil Supplies Receipts Centage on Cloth and Yarn" and sell the goods to the retailers of the district to which they are attached within the limit of 500 yards specified for sale during each month to each retailer by a wholesale dealer.

6 Where the wholesale dealers purchase the goods from commission agents paying margin up to 2 per cent they will have to credit to Government only ½ per cent centage and the difference between 2 per cent and the commission actually paid. Any commission paid in excess of 2 per cent should be covered out of their own margin and should not be passed on to the retailers.

It should be clearly noted that no sales should be effected without crediting ½ per cent centage and 2 per cent procurers' margin wherever it has to be paid to Government. The Department reserves the right to allot such free-sale goods purchased by wholesale dealers whenever it is found necessary.

7 The goods purchased by the wholesale dealers should not be sold either to the nominees or to the other wholesale dealers, but should only be sold to the retailers as indicated above. Failure to adhere to the above instruct[illegible] will entail in the cancellation of the wholesale license.

8 'N' wholesale licensees who are permitted to deal i[illegible] free-sale goods purchased from mills or dealers outside th[illegible] State are subject to the above procedure. Since they ar[illegible] not attached to any particular taluk or district, the[illegible] should sell the goods purchased to the retailers of th[illegible] district where they have their place of business no exceeding 500 yards to each retailer during each month.

9 As regards local Mill goods (goods manufacture[illegible] in Mysore Spinning Mills, Minerva Mills, Bangalor[illegible] Woollen and Cotton Mills and Krishnarajendra Mills) allotment will be arranged to the wholesale dealer through purchase authorities from this office. The whole sale dealers should purchase the allotted goods within [illegible] days from the date of purchase authority (for purposes o[illegible] calculating 8 days the date of purchase authority should b[illegible] excluded) and sell these goods to the retailers of the talu[illegible] or city to which they are attached not exceeding 300 yard[illegible] in the aggregate quantity and not more than 150 yards i[illegible] each variety out of each allotment. Where the retailers o[illegible] the taluk fail to purchase the goods within 27 days fron[illegible] the date of purchase authority, the concerned wholesal[illegible] dealers are free to sell the balance goods to the retailer[illegible] of the district to which they are attached under free-sal[illegible] not exceeding 300 yards.

10 The total quantity that a retailer can purchase unde[illegible] allotment or under free-sale from one or many wholesal[illegible] dealers shall not exceed 600 yards during a month. Th[illegible] wholesale dealers should not sell local mill free-sale good[illegible] to any retailer outside the district to which he i[illegible] attached. The wholesale dealers should note on the purchas[illegible] slip attached to the retail licenses the details of sales as a[illegible] present (entries relating to first sale or free-sale).

No. 11—C.A.S., dated 29th March 1950.

To

All Officers having transactions with State Treasuries.

Subject:—Classification of transactions between Central and State Governments to be indicated prominently on all chellans and bills presented at State Treasuries on and after 1st April 1950.

I have the honour to inform you that as a result of the Federal Financial Integration from 1st April 1950, State Treasuries have to maintain and render two sets of accounts, one for Central transactions and the other for all other transactions including those of Railways and other Provincial Governments. To enable the treasuries to classify the transactions correctly in the two Sections of the Treasury accounts, I request that chellans and bills relating to Central transactions may be caused to be marked prominently "Central" just above entries of heads of classification and that other chellans and bills be marked conspicuously "State" with additional words "Mysore", "Madras", etc., to indicate the Government to which the transactions relate. As Treasuries will find difficulty in classifying chellans and bills not furnishing the above information, I request that the broad classification referred to may kindly be caused to be furnished before the documents are presented at treasuries.

Yours faithfully,

GOVERNMENT OF INDIA.

MINISTRY OF FINANCE (REVENUE DIVISION).

New Delhi, the 27th April 1950.

From —

Shri Pyare Lal Uppal, M.A.,
Deputy Secretary to the Government of India.

To

(1) The Accountants General and Comptrollers.
(2) All the Ministries of the Government of India.

Sir,

Subject:—Exemption from tax-Assessment of Salaries of persons, formerly employed by Part B States but now employed by the Central Government.

I am directed to say that with effect from 1st April 1950l the Indian Incom-tax Act, 1922, has been extended to al, part "B" States (except Jammu and Kashmir) mentioned in the first Schedule to the Constitution of India. In accordance with the recommendations of the Indian States Finances Enquiry Committee, it has been decided that the rates applicable in the first two assessment years 1950-51 and 1951-52 in respect of any income accruing or arising in any Part B States (other than the States of Pepsu and Travancore-Cochin) shall be the rates in force in the State immediately before 1st April 1950, or where no Income-tax was levied in the State before that date then the lowest rates in force in any one of the Part "B" States (*viz.*, the Saurashtra rates). After the first two assessment years, the State rates are to be gradually increased to the level of the rates in the rest of India. Effect to this decision is being given by the issue of an order under Section 60A of the Indian Income-tax Act, 1922.

2. With the taking over by the Central Government of the Federal Subjects, the services of a number of employees of Part "B" States (except Jammu and Kashmir) will be transferred to the Central Government and the employees so transferred, will, in view of the fact that they would be Central Government Servants, be liable to tax at the higher rates prescribed by the Finance Act irrespective of whether they are employed in the State concerned or the rest of India. The Government of India consider that this will cause hardship to the employees who are taken on the same scales of pay as they were drawing in the States before 1st April 1950. The Government of India have therefore decided that these employees of the Central Government should, irrespective of the places of their employment, pay tax on their salaries at the rates which were in force in the State in which they were employed by the State Government before their services were transferred to the Central Government so long as their rates of pay are not revised.

I am therefore to request that this may be brought to the notice of all disbursing officers.

3. A copy of the rates in force in the States is enclosed herewith.

Yours faithfully,

PYARE LAL,
Dy. Secy.

Notification dated 25th May 1950.

It is noticed that indents for the several kinds of Stamps are being received from both the stamp vendors and the Heads of the Offices and Educational Institutions in Chitaldrug almost every day. As this has resulted in very heavy work in the Treasury it is proposed to confine issues of stamps to two days in the week only, *viz.* Tuesdays and Fridays. OFFICE OF THE CONTROLLER OF CIVIL SUPPLIES IN MYSORE, BANGALORE.

Notification dated 30th May 1950.

INSTRUCTIONS TO WHOLESALE CLOTH DEALERS IN THE STATE.

No. T. 2138. In modification of this office Notification No. T. 2369, dated 27th September 1949, and instructions issued from time to time to the Wholesale Dealers and in exercise of the powers conferred on me by Clause 30 and Sub-Clauses (a) and (b) of Clause 32 (1) of the Mysore Cotton Textiles (Control) Order 1948, revised instructions are issued to the wholesale cloth dealers in the State as regards the sale of Indian Mill Cloth to the retailers, which come into effect from 1st June 1950.

2 Their attention is hereby invited to Notification No. T. 1699, dated 16th May 1950, embodying instructions to State Nominees.

3 The Wholesale dealers will be allotted Bombay, Ahmedabad, Sholapur and other mill goods during each month out of stocks declared by the nominees for controlled distribution. They are free to purchase free sale goods from the nominees in case the same is not taken over for allotment by the office. The goods purchased either under allotment or under free-sale, should be sold to the retailers of the district to which they are attached not exceeding on the aggregate 500 yards to each retailer during each month by each wholesaler. They should note on the purchase slip attached to the retail licenses the details of sales as at present. The wholesale dealers attached to Bangalore City Corporation and Bangalore District are free to sell the above goods to the retailers in Bangalore Corporation and Bangalore District subject to the above quantitative limit as regards sales to retailers by each wholesale dealer.

4 While selling the above goods to the Retailers, the Wholesale dealers should not force goods such as woollen goods, silk goods, hand-loom goods and power-loom goods which do not come under control. Where the above categories of goods are sold to retailers while selling Bombay, Ahmedabad, Sholapur and other mill goods, the wholesale dealer should get an endorsement by the concerned retailer on the cash or credit bill that the retailer has purchased these non-controlled textile goods out of his free choice with his signature and address.

5 The wholesale dealers in Mysore State are free to purchase free-sale goods from mills outside Mysore State. The concerned wholesale dealers should get their railway receipts duly registered and countersigned in the office before they actually take delivery of the goods from the railways. While presenting the Railway Receipts in the office, they should declare the quantity and variety of goods together with a copy of their invoices where they purchase the goods direct from Mills at Ex-Mill rate, they should remit to Government Treasury ½ per cent centage and 2 per cent procurers' margin on the Ex-Mill value of the goods to the head of account "22 I & C Civil Supplies Receipts Centage on Cloth and Yarn" and sell the goods to the retailers of the district to which they are attached within the limit of 500 yards specified for sale during each month to each retailer by a wholesale dealer.

6 Where the wholesale dealers purchase the goods from commission agents paying margin up to 2 per cent they will have to credit to Government only ½ per cent centage and the difference between 2 per cent and the commission actually paid. Any commission paid in excess of 2 per cent should be covered out of their own margin and should not be passed on to the retailers.

It should be clearly noted that no sales should be effected without crediting ½ per cent centage and 2 per cent procurers' margin wherever it has to be paid to Government. The Department reserves the right to allot such free-sale goods purchased by wholesale dealers whenever it is found necessary.

7 The goods purchased by the wholesale dealers should not be sold either to the nominees or to the other wholesale dealers, but should only be sold to the retailers as indicated above. Failure to adhere to the above instructions will entail in the cancellation of the wholesale license.

8 'N' wholesale licensees who are permitted to deal in free-sale goods purchased from mills or dealers outside the State are subject to the above procedure. Since they are not attached to any particular taluk or district, they should sell the goods purchased to the retailers of the district where they have their place of business not exceeding 500 yards to each retailer during each month.

9 As regards local Mill goods (goods manufactured in Mysore Spinning Mills, Minerva Mills, Bangalore Woollen and Cotton Mills and Krishnarajendra Mills), allotment will be arranged to the wholesale dealers through purchase authorities from this office. The wholesale dealers should purchase the allotted goods within 8 days from the date of purchase authority (for purposes of calculating 8 days the date of purchase authority should be excluded) and sell these goods to the retailers of the taluk or city to which they are attached not exceeding 300 yards in the aggregate quantity and not more than 150 yards in each variety out of each allotment. Where the retailers of the taluk fail to purchase the goods within 27 days from the date of purchase authority, the concerned wholesale dealers are free to sell the balance goods to the retailers of the district to which they are attached under free-sale not exceeding 300 yards.

10 The total quantity that a retailer can purchase under allotment or under free-sale from one or many wholesale dealers shall not exceed 600 yards during a month. The wholesale dealers should not sell local mill free-sale goods to any retailer outside the district to which he is attached. The wholesale dealers should note on the purchase

slip attached to the retail licenses the details of sales as at present (entries relating to first sale or free-sale).

11 Allotment of Mettur Mill goods, Buckingham and Carnatic Mill goods (mostly khaki) made to the wholesale dealers should be declared to the Amildars in the case of the Taluks, to the Deputy Commissioners in the case of District Headquarters and to the Inspector, Bangalore, in the case of Bangalore Corporation and await distribution instruction. The above categories of goods should be sold by the respective wholesale dealers as per instructions or on permits to be issued by the above officers in their respective jurisdictions. Issues under special permit will be outside 600 yards limit fixed for sale to each retail dealer. However, these issues should also be noted in the purchase slip attached to the licenses.

12 The wholesale dealers should not sell sound goods (either local Mill goods or Bombay, Ahmedabad, Sholapur and other Mill goods) to the ready made dress manufacturers, in the State.

13 Where seconds or fents of local Mills or Bombay and Ahmedabad Mills are allotted to the Wholesale Dealers and where they are permitted to sell to ready made dress manufacturers without permit either from this office or from the Deputy Commissioners concerned, the wholesale dealers are permitted to sell fents and seconds to each ready made dresser in the district to which he is attached. Fents and seconds should not be sold to the retail dealers under any circumstances, but where these goods cannot be sold to ready made dress makers the concerned wholesale dealers should apply and obtain permission for sale to the retailers from this office where the wholesale dealers are attached to Bangalore City Corporation and Bangalore District and from the Deputy Commissioners where the Wholesale Dealers are attached to other districts.

14 The Wholesale Dealers should furnish a statement of monthly sales to the Inspectors concerned as well as to this office so as to reach on or before the 5th of the succeeding month in respect of sales of Bombay, Ahmedadad, Sholapur and *other Mill* goods and local Mill goods in the form noted below :—

Notification dated 1st June 1950.

Allotment of yarn to powerlooms was being arranged by the office of the undersigned and for handlooms through the Deputy Commissioners of the Districts concerned except in the cases of Bangalore City and Bangalore Districts, where the distribution was arranged by the Office of the Controller of Civil Supplies, till 6th October 1949. Since the demand for yarn slackened owing to increase in yarn prices and lack of demand for yarn by powerloom and handloom industries. Notification No. T. 2718, dated the 6th October 1949, was issued modifying the method of distribution of yarn and indicating the revised margins of profit after the procurers' margin was waived by Government.

Since the Mills were permitted to export yarn outside India and also selling one-third yarn out of production during each month under free sale, the delivery of yarn has been very much reduced necessitating alteration in the method of distribution as notified in Notification No. T. 2728, dated the 6th October 1949.

The following revised arrangements are therefore laid down in exercise of the powers conferred on me by sub-clause (1) (*a*) and (*b*) of clause 32 (1) of Textile Control Order, 1948, and sub-clause 1 (*a*) of clause 22 of the Mysore Cotton Textile Control Order, 1948, as the matter relates to distribution, and margins of profit of dealers, respectively.

METHOD OF DISTRIBUTION.

Hereafter the State nominees will function subject to conditions laid down below, with effect from the date of this notification:

The procurers of certain mills who were not entitled to procurers' margin will function as agents of the respective mills and sell yarn at ex-mill rate *plus* sales-tax *plus* ½% centage (to be remitted to the Government as before) *plus* actual transport charges, if any.

The procurers *cum* consumers who are getting yarn direct from the mills for use in their factories are required to remit ½% centage to Government.

The procurers *cum* wholesalers have got to remit to Government ½% centage on yarn purchased from the mills either under allotment or under free sale.

Where the above classes of distributors purchase yarn permitted from mills either local or foreign under free sale or under *Ad hoc* supplies they should remit ½% centage to Government and declare such stocks to this office for issue of release order.

Wholesalers who are holders of "N" licenses and who are permitted to deal in yarn purchased under free sale from mills outside the State should remit to Government ½% centage on the ex-mill value of the goods they purchase and declare such stocks to this office for issue of necessary release orders. "N" wholesale licenses of Sri Shankara Textile Mills, and Sri Ganeshar Textile Mills, Davangere, should declare their purchases to this office for purposes of allotment.

Shri Shankara Textile Mills, Davangere, and Sri Ganeshar Textile Mills, Davangere, who are required to function as nominees for their yarn sold to wholesale dealers or to "N" wholesale licensees in Mysore State should credit to Government ½% centage.

WHOLESALE YARN DEALERS.

1 The wholesale yarn dealers will be allotted yarn out of the State quota as at present and they are entitled to charge 2½% wholesale margin on yarn sold to retail dealers or to powerloom factories.

2 Wholesale yarn dealers to whom powerloom factories are attached are required to sell yarn to them as per the quota to be fixed from time to time. In case such powerloom factories do not pay for the goods and lift the allotted quota within ten days from the date, the concerned wholesale dealer sends intimation to the powerlooms concerned, then the quotas of such powerlooms may be treated as lapsed and declared to this office for purposes of reallotment.

3 Wholesale yarn dealers who are now attached to the districts for purposes of yarn distribution to retail yarn dealers should declare the monthly quota to the Deputy Commissioners concerned and sell yarn to retailers on permits to be issued by the Deputy Commissioner, in favour of the retailers of the district.

(*i*) Where the retailers fail to lift the quota allotted to them or the permits are not issued in favour of retailers, the wholesale yarn dealers should declare stocks lapsed or unallotted on the 5th of the succeeding month and obtain distribution instructions from this office as regards the disposal of such lapsed or unallotted bales.

4 Where the wholesale yarn dealers purchase yarn under free sale direct from the mills (either local or foreign) they are required to remit ½% centage to Government and declare such stocks for allotment by the office.

5 Yarn purchased by wholesale yarn dealers under ee sale from the mills for purposes of export outside the ıate is subject to the same procedure as laid down in para 4 ɔove.

RETAIL YARN DEALERS.

The retail yarn dealers in the State should purchase yarn ı permits issued by the Deputy Commissioners or by this ffice as the case may be and sell such yarn to the weavers ıtached to them. They should charge 5 per cent retail ıargin only calculated on ex-mill rate.

MARGIN OF PROFIT AND OTHER CHARGES.

In effect, the margins of profits will be as indicated below n Rs. 100 ex-mill value of yarn.

HANDLING AND TRANSPORT CHARGES ON YARN FROM MILLS TO CONSUMERS.

1 In the case of yarn manufactured in the Mysore pinning and Weaving Mills, Minerva Mills, Krishnarajendra ills, Bangalore Woollen, Cotton and Silk Mills, Bangalore, ıe dealers can charge actual handling and transportation ıarges which in the aggregate should not exceed 0-5-0 per ındle of 10 lbs. by the time yarn reaches the consumers.

2 On yarn manufactured in Davangere Mills, Sri Shanara Textile Mills and Sri Ganeshar Textile Mills, Davangere, ıey are entitled to charge actual charges which in the aggreıte should not exceed seven annas (0-7-0) per bundle of) lbs. by the time yarn reaches the consumers.

3 On yarn manufactured in mills, outside Mysore State, ıey are entitled to charge actual expenditure which in the ggregate should not exceed Re. 0-10-0 per bundle of 10 ls. by the time yarn reaches the consumers.

4 Since the mills have commenced to mark ex-mill ıteas well as retail rate on yarn (which is 12% above x-mill rate) as against the maximum retail selling rate of 8½% *plus* transport charges over ex-mill rate allowed in Mysore, the retail yarn dealers are yarned that they should ell yarn at ex-mill rate *plus* 8½% *plus* transportation ıarges specified above and not at the retail selling rate ıarked on yarn by the mills.

The above revised arrangements in yarn distribution will ɔme into force from the date of this notification and will ɔntinue to remain in force until further orders.

FINANCIAL DEPARTMENT

COMPTROLLER'S OFFICE, BANGALORE.

No. 11—C.A.S., dated 29th March 1950.

To

All Officers having transactions with State Treasuries.

Subject :—Classification of transactions between Central and State Governments to be indicated prominently on all chellans and bills presented at State Treasuries on and after 1st April 1950.

I have the honour to inform you that as a result of the Federal Financial Integration from 1st April 1950, State Treasuries have to maintain and render two sets of accounts, one for Central transactions and the other for all other transactions including those of Railways and other Provincial Governments. To enable the treasuries to classify the transactions correctly in the two Sections of the Treasury accounts, I request that chellans and bills relating to Central transactions may be caused to be marked prominently "Central" just above entries of heads of classification and that other chellans and bills be marked conspicuously "State" with additional words "Mysore", "Madras", etc., to indicate the Government to which the transactions relate. As Treasuries will find difficulty in classifying chellans and bills not furnishing the above information, I request that the broad classification referred to may kindly be caused to be furnished before the documents are presented at treasuries.

Yours faithfully,

GOVERNMENT OF INDIA.

MINISTRY OF FINANCE (REVENUE DIVISION).

New Delhi, the 27th April 1950.

From

Shri Pyare Lal Uppal, M.A.,
Deputy Secretary to the Government of India.

To

(1) The Accountants General and Comptrollers.
(2) All the Ministries of the Government of India.

Sir,

Subject:—Exemption from tax-Assessment of Salaries of persons, formerly employed by Part B States but now employed by the Central Government.

I am directed to say that with effect from 1st April 1950, the Indian Incom-tax Act, 1922, has been extended to all part "B" States (except Jammu and Kashmir) mentioned in the first Schedule to the Constitution of India. In accordance with the recommendations of the Indian States Finances Enquiry Committee, it has been decided that the rates applicable in the first two assessment years 1950-51 and 1951-52 in respect of any income accruing or arising in any Part B States (other than the States of Pepsu and Travancore-Cochin) shall be the rates in force in the State immediately before 1st April 1950, or where no Income-tax was levied in the State before that date then the lowest rates in force in any one of the Part "B" States (*viz.*, the Saurashtra rates). After the first two assessment years, the State rates are to be gradually increased to the level of the rates in the rest of India. Effect to this decision is being given by the issue of an order under Section 60A of the Indian Income-tax Act, 1922.

2. With the taking over by the Central Government of the Federal Subjects, the services of a number of employees of Part "B" States (except Jammu and Kashmir) will be transferred to the Central Government and the employees so transferred, will, in view of the fact that they would be Central Government Servants, be liable to tax at the higher rates prescribed by the Finance Act irrespective of whether they are employed in the State concerned or the rest of India. The Government of India consider that this will cause hardship to the employees who are taken on the same scales of pay as they were drawing in the States before 1st April 1950. The Government of India have therefore decided that these employees of the Central Government should, irrespective of the places of their employment, pay tax on their salaries at the rates which were in force in the State in which they were employed by the State Government before their services were transferred to the Central Government so long as their rates of pay are not revised.

I am therefore to request that this may be brought to the notice of all disbursing officers.

3. A copy of the rates in force in the States is enclosed herewith.

Yours faithfully.

PYARE LAL,
Dy. Secy.

Notification dated 13th June 1950.

Press Note.

In continuation of this office Press Note No. 2020-2021 dated 16th May 1950, it is hereby notified for the information of the General Public of Bangalore City and Civil Station, that as the supply position of Penicillin in the State has fairly kept pace with the needs for the same, it is considered that there is now no necessity to continue the present system of distributing the drug to the *bona fide* consumers, and that this system will be discontinued with effect from 14th June 1950, from which date the dealers in this drug will be free to sell to the public only on the strength of certificates issued to them by Registered Medical Practitioners and the Public who are in need of the same are free to buy this drug from the dealers without any permit issued from this office.

2. The dealers are however informed that though the permit system will not be in force from the 14th June 1950, yet the Drugs Control Act, 1950, continues to be in force, the prices of the drugs are fixed under the provisions of the said Act, and offences are punishable under the Act, and it is hoped that the dealers would endeavour to maintain a fair distribution of this essential drug among the public, without giving room for complaints of malpractices. They are also further informed that the situation would be keenly and constantly watched and this office will not hesitate to re-impose not only the permit system but to take any other measure that might be thought necessary, if black-marketing and malpractices are resorted to by the dealers or if the drug once again becomes scarce in the market.

M. K. APPAJAPPA
2064 *Controller of Civil Supplies.*

Notification dated 16—17th June 1950.

To
The Chemists and Druggists,
Bangalore.

Dear Sir,

Subject:—Streptomycin and Penicillin, Supply and Distribution.

No. 3522 65. Though the supply position of Penicillin has fairly kept pace with the needs for the same, yet this essential drug is not available in plenty, and as such it has become necessary, to keep a close watch over the supply position of the same for some more time.

In the case of Streptomycin, the supply position has, if anything, become worse and loud complaints from the public are being received every day, and so, with a view to take any steps that might become necessary in this behalf, it has become necessary to keep a close watch over the supply position of this drug also till it keeps pace with the needs.

I therefore request you to please arrange to furnish this office until further notice with a receipt and issue statements in the form noted below every fortnight beginning from the 20th of this month. Thus the next return to that of the 20th instant will fall due on the 4th of next month and this should be submitted to this office so as to reach on or before the 7th July 1950, *i. e.*, within three days after the end of the fortnight. OFFICE OF THE CONTROLLER OF CIVIL SUPPLIES IN MYSORE, BANGALORE.

Notification dated 13th June 1950.

Press Note.

In continuation of this office Press Note No. 2020-2021, dated 16th May 1950, it is hereby notified for the information of the General Public of Bangalore City and Civil Station, that as the supply position of Penicillin in the State has fairly kept pace with the needs for the same, it is considered that there is now no necessity to continue the present system of distributing the drug to the *bona fide* consumers, and that this system will be discontinued with effect from 14th June 1950, from which date the dealers in this drug will be free to sell to the public only on the strength of certificates issued to them by Registered Medical Practitioners and the Public who are in need of the same are free to buy this drug from the dealers without any permit issued from this office.

2. The dealers are however informed that though the permit system will not be in force from the 14th June 1950, yet the Drugs Control Act, 1950, continues to be in force, the prices of the drugs are fixed under the provisions of the said Act, and offences are punishable under the Act, and it is hoped that the dealers would endeavour to maintain a fair distribution of this essential drug among the public, without giving room for complaints of malpractices. They are also further informed that the situation would be keenly and constantly watched and this office will not hesitate to re-impose not only the permit system but to take any other measure that might be thought necessary, if black-marketing and malpractices are resorted to by the dealers or if the drug once again becomes scarce in the market.

M. K. APPAJAPPA,
Controller of Civil Supplies.

Notification dated 16—17th June 1950.

To

The Chemists and Druggists,
Bangalore.

Dear Sir,

Subject:—Streptomycin and Penicillin Supply and Distribution.

No. 3522-65. Though the supply position of Penicillin has fairly kept pace with the needs for the same, yet this essential drug is not available in plenty, and as such it has become necessary, to keep a close watch over the supply position of the same for some more time.

In the case of Streptomycin, the supply position has, if anything, become worse and loud complaints from the public are being received every day, and so, with a view to take any steps that might become necessary in this behalf, it has become necessary to keep a close watch over the supply position of this drug also till it keeps pace with the needs.

I therefore request you to please arrange to furnish this office until further notice with a receipt and issue statements in the form noted below every fortnight beginning from the 20th of this month. Thus the next return to that of the 20th instant will fall due on the 4th of next month and this should be submitted to this office so as to reach on or before the 7th July 1950, *i.e.*, within three days after the end of the fortnight. The stock position and issues for the fortnight that preceded 20th of this month should be furnished before the 24th of this month.

Yours faithfully,
M. K. APPAJAPPA,
Controller of Civil Supplies.

FINANCIAL DEPARTMENT

COMPTROLLER'S OFFICE, BANGALORE.

No. 11—C.A.S., dated 29th March 1950.

To

All Officers having transactions with State Treasuries.

Subject:—Classification of transactions between Central and State Governments to be indicated prominently on all chellans and bills presented at State Treasuries on and after 1st April 1950.

I have the honour to inform you that as a result of the Federal Financial Integration from 1st April 1950, State Treasuries have to maintain and render two sets of accounts, one for Central transactions and the other for all other transactions including those of Railways and other Provincial Governments. To enable the treasuries to classify the transactions correctly in the two Sections of the Treasury accounts, I request that chellans and bills relating to Central transactions may be caused to be marked prominently "Central" just above entries of heads of classification and that other chellans and bills be marked conspicuously "State" with additional words "Mysore", "Madras", etc., to indicate the Government to which the transactions relate. As Treasuries will find difficulty in classifying chellans and bills not furnishing the above information, I request that the broad classification referred to may kindly be caused to be furnished before the documents are presented at treasuries.

Yours faithfully,
V. T. SREENIVASAN, *Comptroller.*

Notification dated 23rd June 1950.

To

The Commissioner of Income-tax,
Mysore *cum* Travancore-Cochin,
Old Residency Office Buildings, Bangalore.

Sir,

Subject:—Deduction of tax during the year 1950-51 from Salaries.

No. 274—GAD. In continuation of the correspondence resting with this office letter No. 103—GAD., dated the 13th May 1950, on the subject indicated above, I am to forward herewith a copy of the Government of India, Ministry of Finance, letter No. C. 57-St. (Int.) IT—49, dated the 7th June 1950, and to request that a Circular based on the Government of India letter quoted above may kindly be issued to all Heads of Departments, and the Treasury Officers in the Mysore State.

Yours faithfully,

Accountant-General.

2386

Letter No. 57-St (Int.) IT—49, dated 7th June 1950, from the Government of India, Ministry of Finance (Revenue Division), New Delhi, to all the Accountants-General and Comptrollers.

Subject:—Exemption from tax — Assessment of—Salaries of persons, formerly employed by Part B States but now employed by the Central Government.

I am directed to invite a reference to this Ministry's letter of even number dated the 27th April 1950 and to say that a doubt has arisen whether for the purposes of allowing rebate in respect of contributions to General Provident Fund, payment of Insurance premia and grant of relief for earned income, the provisions of Indian Income-tax Act should be applied or the provisions of the State Income-tax Acts as they stood before 1st April 1950.

The Indian Income-tax Act, 1922, has been applied to all the Part B States with effect from the 1st April 1950 (13th April for PEPSU) and it is this law that is now in force in these areas. All that meant by the instructions contained in this Ministry's letter of the 27th April 1950 was that in assessing salaried persons in Part B States, the rates of tax applicable will be not the rates prescribed by the Finance Act, 1950, but the rates prescribed by the States Acts which were in force immediately before the 1st April 1950 or in other words the computation of income from salary and the grant of rebates will be made under the Indian Law. the rates applicable however being the rates in force in the States before 1st April 1950.

The rates applicable in the States of Hyderabad, Saurashtra and Mysore are contained in the enclosures to this Ministry's letter of the 27th April 1950.

So far as PEPSU, Travancore and Cochin are concerned the rates will be the rates in force in India as prescribed by the Finance Act, 1950.

FINANCIAL DEPARTMENT

COMPTROLLER'S OFFICE, BANGALORE.

No. 11—C.A.S., dated 29th March 1950.

To

All Officers having transactions with State Treasuries.

Subject:—Classification of transactions between Central and State Governments to be indicated prominently on all chellans and bills presented at State Treasuries on and after 1st April 1950.

I have the honour to inform you that as a result of the Federal Financial Integration from 1st April 1950, State Treasuries have to maintain and render two sets of accounts, one for Central transactions and the other for all other transactions including those of Railways and other Provincial Governments. To enable the treasuries to classify the transactions correctly in the two Sections of the Treasury accounts, I request that chellans and bills relating to Central transactions may be caused to be marked prominently "Central" just above entries of heads of classification and that other chellans and bills be marked conspicuously "State" with additional words "Mysore", "Madras", etc., to indicate the Government to which the transactions relate. As Treasuries will find difficulty in classifying chellans and bills not furnishing the above information, I request that the broad classification referred to may kindly be caused to be furnished before the documents are presented at treasuries.

Yours faithfully,
V. T. SREENIVASAN, *Comptroller.*

Notification dated 23rd June 1950.

To

The Commissioner of Income-tax,

Sir,

Subject:—Deduction of tax during the year 1950-51 from Salaries.

No. 274—GAD. In continuation of the correspondence resting with this office letter No. 103—GAD., dated the 13th May 1950, on the subject indicated above, I am to forward herewith a copy of the Government of India, Ministry of Finance, letter No. C. 57-St. (Int.) IT—49, dated the 7th June 1950, and to request that a Circular based on the Government of India letter quoted above may kindly be issued to all Heads of Departments, and the Treasury Officers in the Mysore State.

Yours faithfully,

2386

Letter No. 57-St (Int.) IT—49, dated 7th June 1950, from the Government of India, Ministry of Finance (Revenue Division), New Delhi, to all the Accountants-General and Comptrollers.

Subject:—Exemption from tax — Assessment of—Salaries of persons, formerly employed by Part B States but now employed by the Central Government.

I am directed to invite a reference to this Ministry's letter of even number dated the 27th April 1950 and to say that a doubt has arisen whether for the purposes of allowing rebate in respect of contributions to General Provident Fund, payment of Insurance premia and grant of relief for earned income, the provisions of Indian Income-tax Act should be applied or the provisions of the State Income-tax Acts as they stood before 1st April 1950.

The Indian Income-tax Act, 1922, has been applied to all the Part B States with effect from the 1st April 1950 (13th April for PEPSU) and it is this law that is now in force in these areas. All that meant by the instructions contained in this Ministry's letter of the 27th April 1950 was that in assessing salaried persons in Part B States, the rates of tax applicable will be not the rates prescribed by the Finance Act, 1950, but the rates prescribed by the States Acts which were in force immediately before the 1st April 1950 or in other words the computation of income from salary and the grant of rebates will be made under the Indian Law, the rates applicable however being the rates in force in the States before 1st April 1950.

The rates applicable in the States of Hyderabad, Saurashtra and Mysore are contained in the enclosures to this Ministry's letter of the 27th April 1950.

So far as PEPSU, Travancore and Cochin are concerned the rates will be the rates in force in India as prescribed by the Finance Act, 1950.
